NUCLEAR TEST BAN TREATY
Smokescreen– Hides Secret Agreements

and non-specified provisions for international control of our armed forces and armaments to fight "their" wars anywhere in the world!

OFFICIAL PROCLAMATION!

Excerpt of Opening Statement of the Nuclear Test Ban Treaty:

"*PROCLAIMING* AS THEIR PRINCIPAL AIM THE SPEEDIEST POSSIBLE ACHIEVEMENT OF AN AGREEMENT ON GENERAL AND COMPLETE DISARMAMENT UNDER STRICT INTERNATIONAL CONTROL IN ACCORDANCE WITH THE OBJECTIVES OF THE UNITED NATIONS . . . WHICH WOULD . . . ELIMINATE . . . THE PRODUCTION AND TESTING OF ALL KINDS OF WEAPONS . . . including nuclear weapons . . ."

EXCERPT OF TEST BAN TREATY — THE POSTULATED "SAFETY CLAUSE" IS A TRAP!

Article IV (Safety Clause)

"This treaty shall be of *unlimited* duration. Each party shall in exercising its national sovereignty (sic) have the right to withdraw from the treaty if it decides that extraordinary events, related to the subject matter of this treaty, have jeopardized the supreme interests of its country. It shall give notice of such withdrawal to all other parties to the treaty three months in advance."

Note: During this three months the sovereignty of our Nation can be irretrievably surrendered as agreements in Moscow may authorize foreign observers to man the— "*OBSERVATION* POSTS TO BE ESTABLISHED AT MAJOR PORTS, RAILWAY CENTERS, HIGHWAYS, AND *AIRBASES* TO REPORT ON CONCENTRATIONS AND MOVEMENTS OF MILITARY FORCES".— ACDA publ #1 Gen. Series #1. (Art. 39, UNO Charter.)

U. S. TROOPS — COMBAT READY!

Troop maneuvers and "War Games" planned at the "Aggressor Center", Fort Riley, Kansas, such as Operation Shotgun, Water Moccasin (with another reported for October), Steel Gate, Coulee Crest, Swift Strike, and others, have established combat readiness! "As one officer of the Aggressor Center put it: 'The only time this type of training would have been valid would be if we expected to fight a second Civil War.'"

SHOTGUN WEDDING — PEACEFUL PERSUASION!

The "illumined ones" have returned from Moscow with the License for the "shotgun wedding" of the U. S. and the U.S.S.R.— the imminent offspring of this union to be Godless World Government!

Again we hear, nuclear annihilation is the alternative to peace and motherhood. Who can vote against motherhood? This same tactic was used in gaining the approval in Congress of the Disarmament Act in September 1961, thus establishing the Disarmament Agency, a number of whose officials attended as negotiators at this infamous affair in Moscow.

NOW, MR. & MRS. AMERICA

the salvation of our Republic is in your hands!! Does the above not merit the concerted opposition to the ratification of the Nuclear Test Ban Treaty? Wire your Senators immediately your considered opinion, and send copies to each of your Representatives. GOD SAVE OUR COUNTRY. "If my people, which are called by my name, shall humble themselves, and pray, and seek my face, and turn from their wicked ways; then will I hear from heaven, and will forgive their sin, and will heal their land".—*II Chron. 7:14.*

The above appeared in the Wall Street Journal, Aug. 19, 1963 and was prepared and edited with emphasis added by Theodore Jackman, Greenville, So. Carolina.

Defeat The Civil Rights Bill of 1963 S-1731

FACTS

This bill is 10% dedicated to phony unconstitutional "civil rights" and 90% to even more un-constitutional and dangerous grants of power to the Executive. **Never in the history of nations governed by elected officials has the Head of State demanded such naked and untrammeled power as is embodied in this Civil Rights Act of 1963, except when such state was upon the verge of becoming a Dictatorship.**

SIGNIFICANCE

This means the end of the Republic, the destruction of the Constitutional sovereignty of the States which formed it, and direct and arbitrary federal control of every **individual,** corporation or association formed under state statutes. The authority of the state government will be rubbed out. All banks, saving institutions and other financial institutions and their customers become subject to direct presidential authority, and the financial life or death of nearly every financial institution would be in the hands of one man—the President of the **U.S.A.**

ACTION INDICATED

Reproduce this alert and ask others to do the same and to spread the word by phone, telegram or any other communications media so the Congress will be swamped with protest against this attempt to make the U. S. a dictatorship.

Get as many conservative groups as possible to alert their membership into taking the same protest action.

Spread the word by tape recording, lectures, phonograph records, at gatherings of every sort.

THIS MEANS LIFE OR DEATH OF THE REPUBLIC!

P. A. del Valle, President

"YOU WILL HAVE WORLD GOVERNMENT WHETHER YOU LIKE IT OR NOT, IF NOT BY CONSENT BY CONQUEST."

—so testified **James P. Warburg,** nephew of **Max Warburg** who helped finance the **Russian Revolution,** and leading supporter of the **United World Federalists,** before the **U. S. Senate,** Feb. 17, 1950.
